Important information

Personal injury statement In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the Department of its duty of care to students that may result in claims for compensation.

Parents/Carers are advised to assess the level and extent of their child/ward's involvement in the sport program offered by the school, school sport zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. Personal accident insurance cover is available through normal retail outlets. Parents/Carers who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate. The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the loss of use of certain prescribed parts of the body. The Supplementary Scheme does not cover medical costs or dental costs. Further information can be obtained from <https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/#gref>. Further information regarding student accident insurance and private health cover is provided at: <https://app.education.nsw.gov.au/sport/file/1449>.

Concussion Clearance and Medical Treatment

The Australian Medical Association recommends students being symptom free of concussion for 14 days before returning to sport.

- I acknowledge that if my child has sustained a concussion in the lead up to the event, I must provide medical clearance to the school or the supervising teacher prior to competition commencing.
- I understand that if my child sustains a concussion or suspected concussion during an NSW Department of Education sporting event, they will be removed from competition until medical clearance is provided to the supervising teacher
- I affirm that, to the best of my knowledge, my child has no medical condition or injury that places them at risk by participating in this sport activity. I acknowledge The NSW Ambulance Schools and Group Cover Scheme 2024 (ASGCS) is an insurance policy that provides coverage for emergency ambulance services to NSW public school students attending approved, fully supervised school activities within NSW.
