## Check-in Assessment for Years 7, 8 and 9

Dear Parents/Carers,

Students in Years 7, 8 and 9 will participate in a reading and numeracy Check-in Assessment when they return to school from Week 5 onwards.

The Check-in Assessment is a New South Wales (NSW) Department of Education online reading and numeracy assessment available to support schools to assess and monitor student learning following the period of learning from home.

The Check-in Assessments can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

The assessment will be scheduled for our students during Term 4, from Week 5 onwards.

Students with disabilities may receive the same level of support during the assessment that they would normally receive in the classroom.

Students are asked to bring headphones or earbuds that plug into a computer to enable them to hear audio during the assessment. Earbuds used for mobile phones or other portable devices may be suitable for use during the assessment. The type of computer connection needed is a jack or USB.

For any further information, please do not hesitate to contact Mr Clinton Jones at the school on 8088 1522, during business hours.

Yours faithfully,

C Jones
