Presentation Night

Congratulations go to all of the award winners at Tuesday's Presentation Night. It was a wonderful celebration of the diverse activities undertaken by students at our school. Thank you to Miss Jodie Clarke and Miss Cassie Koch on their excellent organisation of the evening.

Good luck for the HSC Year 12.

Our best wishes also go to our Year 12 students who will receive their results on the 15 December. Good luck Year 12. Please give us a call and tell us how you went.

First day of school 2017.

Students in Years 7, 11 and 12 will start school on the morning of Monday 6 February 2017.

Students in Years 8, 9 and 10 will start school on Tuesday 7 February 2017.

School Development Days 1-3 February 2017

Teachers will begin the school year on Wednesday 1 February 2017. There will be three School Development Days. Staff members will be training in the areas of Child Protection, Literacy, Numeracy, Anaphylaxis, CPR, Resilience, ALARM and Positive Behaviour for Learning. There will also be training for our School Learning Support Officers on Friday 3 February.

Mobile Phones

There has been a recent spate of misuse of mobile phones in the classroom. This issue has recently been addressed on assembly to the student body, yet some students still persist in using them in the classroom despite these reminders.

I would like to remind all about the BHHS Mobile Phone Policy and Procedures. In short, **mobile phones are to be off and away during class time**, no exceptions. This is not negotiable as they cause significant disruptions to learning.

If a teacher requests that a student hand over their phone due to misuse, this request must be followed. **Refusal to hand the phone over will result in Deputy Principal intervention and related consequences.**

Failure to follow this directive will result in the following:

- 1st incident – phone will be confiscated and the student may pick it up at the end of the day at the front office.
- 2nd incident – phone will be confiscated, pre-suspension warning given, parental contact and a parent will have to pick the phone up from the front office.

- 3rd incident – one day suspension will be given. Parental contact.
- 4th incident – two day suspension and so on.

As a parent, your assistance and support with this issue is greatly appreciated. It would also assist if parents did not call or message students during class time.

Students are permitted to use their mobile phones before school, during recess and lunch.

If you would like to discuss this issue further please contact either Deputy Principal's, Mr Devoy or Mr Gauci, for clarification.

Rob Devoy
Deputy Principal

Make Online Payments

It is now possible for parents to make online payments to the school for amounts owing for students via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card, and can be made via computer, tablet or mobile phone. The payment page is accessed from the front page of the schools website by selecting **\$ Make a payment**. Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' this is to cover items not covered in the previous headings. 'Other' can be used to make a complete payment of a school invoice.

When you access the **\$ Make a payment** you must enter:

- the students name, and
- class and reference number OR
- the students name, and
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system. **There is also the option to enter the Student Registration Number and Invoice number if you are aware of them, these are optional fields OR there is also the option to enter the Student Registration Number and Invoice number. These are not used at our school, please leave blank.**

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.

Students Who Are Late To School or Leave Early

Students are NOT allowed to call their parents during school times to collect them. If students have a valid reason to be collected, they are to either go to the Front Office or the Deputy Principal for someone to call their parent/caregiver to come to the school and collect them.

Students who have a doctors/dentists appointment at a certain time can either have the parents attend the school to collect or supply their child with a note. This note must have a valid and reasonable reason for the child to be signing out of school with a time, date and signature.

It is recommended that if your child attends a doctor or other appointment, that they request a certificate and a copy is given to the school so their time out of school can be justified and explained properly.

If a student is late to school, they must provide a note or a phone call from parent/carer with a reasonable and valid reason. Personal and family reasons are not a valid reason.

If a student is late to school without a note it will be documented as late and unjustified, which affects their final attendance rate, unjustified and unexplained.

If a student continues with this behaviour the following will occur:

3rd offence – call home from the Year Advisor to discuss with parents.

5th offence – 20 days Individual Attendance Plan.

Right Place, Right Time

There has been an increase of students not being in the right place at the right time at Broken Hill High School. To eliminate distractions and ensure all students are getting the most out of their time at school we have revised our truant procedures that will come into effect in the coming weeks.

It is essential students attend Roll Call every day as this ensures your child is present at school and this then doesn't affect their attendance. However, if your child is late they MUST sign in through the Front Office. Your child MUST have a legitimate

reason and be supplied with a detailed note signed and dated by the parent/carer.

If your child is truanting class then the new system will ensure your child is spoken to and the following consequences will occur.

First offence – receive a written warning. This will be handed to the student.

Second offence – referred to relevant DP for pre-suspension and yellow monitoring card.

Seniors – one week loss of senior privileges

Third offence – Timeout Room for the Day

Fourth offence – SUSPENSION – 1 day

Fifth offence – SUSPENSION – 2 days

Parents/Carers can check on their child's attendance through the Parent Portal. If you have not received the access key for the parent portal please call the Front Office to receive one.

Regards, Paul Gauci
Deputy Principal (8,10,12)

Sign Out Procedures for Year 12 Students

If you are signing IN/OUT because you have free periods, you MUST sign in/out using the kiosk only.

This will only work if you have

1. Your flexible card (if you have lost this you will need to pay \$2 for a replacement card)
2. Returned your signed permission form to the Front Office.

If not you will NOT be signing out early and if we sign you in it will be Unapproved and will count towards your 3 late arrivals and a Deputy Detention will be issued.

CHANGE OF ADDRESS/PHONE NUMBERS

If you have changed your address, phone number or have a new emergency contact person (in case we can't get in contact with you if your child is sick or in case of an emergency) please let the Front Office know so details can be updated.

Upcoming PBL student activities

During Week 9 and 10, as we approach the end of the year, there will be various exciting activities on offer to students. It will be fantastic to see as many students as possible making the most of these events.

December 8-9. An overnight trip to Mildura will be held for selected students who have consistently displayed the core values of the school throughout the year. Activities on the trip include the House of Bounce, Splashpark and movies. Those students who meet the selection criteria will have already received notes from Mrs Usher and require a deposit of \$50 to be paid to the front office to secure a place.

December 13. Students who have reached Conqueror Award status of 500 B'Hillians will be invited to a free afternoon at the pool with an included BBQ lunch. The slide and inflatable will also be available for students to use.

December 14. Students with 95% attendance or above will be treated to a free BBQ lunch. During Periods 5 and 6 the Monster Draw will be held, with many fun activities and prizes up for offer!

Support Unit

The Support Unit is extremely proud of all our Year 12 students that have worked tirelessly throughout their time at Broken Hill High School. They all have each achieved some great outcomes that will benefit them in the future.

Hailey Golding was recognised for her efforts with her wonderful Art works being displayed in the Year 12 exhibition at the GEO Centre on Friday night. The evening proved very popular, with a large number of staff and parents attending the exhibition. Hailey's paintings received many positive comments from the guests.

Outstanding HSC Achievement by BHHS Student

Lizzie Wilson's HSC Visual Arts body of work has been selected for ArtExpress. The exhibition will open at the Art Gallery of NSW on 26 January 2017.

This honour is a wonderful recognition of all the creativity, intelligence and hard work that she put into her art this year.

Please congratulate Lizzie if you see her.

Year 9 Child Studies

Throughout Term Four, Year 9 Child Studies have been putting their knowledge into practice.

Tiarna Pearce was dressed by the children at Happy Day Preschool

Once a fortnight we have been visiting Happy Day Preschool. During visits, students were given tours of the preschool and spoken to about how the centre works and the range of children that attend. They were then able to go and interact with the children, helping with their class activities, talking to the children about their day, and assisting them in the playground. We would like to thank Happy Day Preschool for giving our students this opportunity. Our girls thoroughly enjoyed their visits.

The girls also planned and ran the Teddy Bear's Picnic in the school hall. The two classes combined to plan activities, games and snacks for the visiting children. On the day, the girls arrived at school early to set up the hall and their activities ready for the children they had invited including Broken Hill Public School. Once the children arrived, our girls showcased their skills and had the children involved and engaged in activities such as play-dough, painting, colouring, cake decorating, craft activities and much more.

In class, the Child Studies girls have also been bringing out their inner child with Christmas craft. We have decorated Christmas baubles and placed them on the class Christmas Tree. We have also decorated Christmas cookies, and we are in the process of creating a foam cup snowman. Year 9 Child Studies wish everyone a Merry Christmas and a Safe and Happy New Year!

Lions Youth of the Year Competition 2016

Three entrants of a very high standard competed for the prestigious Lions' Youth of the Year award, Joelene Galea, Ellis Quinn and Neve Robins.

The girls were interviewed about their cultural, academic, sporting and civic achievements and also asked general knowledge questions. They delivered two impromptu, 2 minute speeches then their own 5 minute prepared speech. Joelene Galea won the title of Youth of the Year for the second time running which is a rare event and she is to be congratulated for this and on knowing her 5 minute speech off by heart! The girls all shone on the night and it was a difficult decision for the judges to make. They are all winners for their amazing achievements and success that they have in their lives so far and they will be great future leaders.

Many thanks to retired teacher and Lion, Steve Turner for his mighty effort in organising the night.

He spent many hours preparing what was a very good night for everyone involved. Thank you to the girls for your commitment when you already juggle so many things!! It was a pleasure to be involved.

Movember

During the month of November, several of the male staff members and Clontarf students sported the hairy upper lip in order to raise funds for the Movember Foundation.

The Movember Foundation was developed to raise much needed funds and awareness for research of prostate and testicular cancer, as well as breaking the stigma that men shouldn't talk about their mental health. The purpose of growing the moe is all about starting the conversation with mates that it is okay to not be okay.

Throughout the course of the month, 5 staff members, as well as several of the Clontarf Academy students raised a massive \$1230 for the BHHS Movember Team. A special thanks goes out to Maari Ma Health who very kindly donated an Apple iPad Air that was raffled off with assistance from many of the Clontarf boys.

Movember is an important charity that we hope will continue to be seen at Broken Hill High for many years to come.

United Space School

NEVE ROBINS

In 2016 Year 10 student, Neve Robins attended the Federation of International Space Education (FISE) – United Space School at Houston, Texas.

Each year FISE invites students from over 23 countries to participate in United Space School. Participating countries and their respective schools are recommended, while students go through an application process.

United Space School's organisation, schedule and curriculum are designed to provide the structure, knowledge, resources, mentoring and appropriate settings to complete the project, a Manned Mission to Mars.

Neve described her two week experience:

I toured NASA, participated in activities all around Houston with my host family and made life-long friends from all over the world. As a school we had the chance to learn from astronauts, experience different cultures and visit some iconic places like the Apollo 11 Mission Control Room.

Throughout the two weeks you truly learn the ins and outs of space travel through your mentors, numerous speakers and the stories of workers in the space industry all of whom were really inspiring. It was a fantastic experience and I certainly met some amazing people during my time there.

Park Smarter

Thieves are at work! If they're not after your vehicle, then you can bet they're after any valuables you've left inside. In this local area, thieves are stealing laptops, cash from consoles, mobile phones, sunglasses, CDs, wallets and handbags left in vehicles.

You can reduce the likelihood of becoming a victim of theft by parking smarter. You should always:

- Remove the ignition keys and lock your doors and windows
- Take everything of value from your vehicle each time you leave it
- Avoid parking in dimly lit or isolated areas
- Remove any documents in your vehicle which identify where you live – your home might be the thieves' next target
- Don't hide any spare keys inside or under your vehicle – thieves know just where to look
- Engrave or mark your vehicle's accessories with your licence number.

Remember, security is important all of the time. Protect your property by following these tips and contact your local police or Crime Stoppers on 1300 333 000. (TTY 9211 3776 for speech and hearing impaired)

Summer Reading Club

I am pleased to announce that the Summer Reading Club is taking place at Broken Hill City Library these summer holidays.

Last year the Summer Reading Club was a huge success! Over 48,000 children participated across Australia, and more than 333,000 books were read.

Celebrating its sixth year as a national program, the Summer Reading Club could be even bigger and better this year, with the help of your school!

The theme for the 2016 Summer Reading Club is **Heroes and Villains**. Young readers will be encouraged to engage with a variety of traditional and non-traditional heroes and heroines as they explore the themes and conventions associated with super and everyday heroes, and their villainous counterparts.

Registration is FREE! When participants register at the Broken Hill City Library they will receive a Summer Reading Club pack. Alternatively, they can also register through the Summer Reading Club website at www.summertimeclub.org.au. National prizes are also up for grabs for those who participate in the online activities.

To encourage participation in the 2016 Summer Reading Club, I invite teachers and library staff at your school to promote this program to students and parents as they enquire about holiday activities. Information about the Summer Reading Club could also be included in your school newsletter.

All registered Broken Hill Library Summer Reading Club members will be invited to an end of Summer Reading Club party at the Library on the 30th January from 11am-1pm.

For more information on this year's Summer Reading Club, or if you would us to send you poster templates or marketing materials for display in your school, please contact Jess on 8080 3465 or by email Jessica.picken@brokenhill.nsw.gov.au.
